### Suggested questions for facilitation of

#### I. The round-table discussion on impact of the developed models IMILM and AEOM

- Do you think that a good level of the soft skills is important for unemployed people?
- Do you think that a good level of soft skills is important as well for working people (at work)?
- Is it important to develop soft skills?
- Do you think, that presented on-line IMILM model (non-formal Job-Yes training course) could help disadvantaged learners to improve the level of their soft skill?
- Do you, *as AE organization manager*, would use this JOB-YES training course for soft skills development of your learners?
- Do you, *as labour exchange office staff*, would use this JOB-YES training course to train soft skills of unemployed people?
- Do you, *as employer*, would be interested in cooperation with AE organization to train your employees using JOB-YES training course for developed their oft skills?
- Do you think that it is important to integrate the facilitator-support services based on ICT-enhanced educational methods into the daily activities of AE organization's in order to attract and motivate leaners with disadvantaged background and fewer opportunities to learn and to participate in employment-related trainings?
- Are you planning to use the developed IMIML model through the financial support from the European Social Fund programs oriented towards social inclusion and employment at national levels?

#### II. Discussion on: the importance of reinforcing the links between AE organisations, labour exchange offices and world of work (enterprises)

- Do you think that it is the important to reinforce the links between AE organisations, labour exchange offices and enterprises in order to increase the adaptability of employment-related learning to the nowadays labour market needs?
- How do you think this can be done?
